THE OVERVIEW

Everest View Trek is one of the most popular short treks in the Everest region, especially for families and travelers with children who have limited time in Nepal. Within a few days, this trek offers a great opportunity to see Mount Everest (8848 m), the highest mountain in the world, along with other beautiful Himalayan peaks. Among the 14 mountains above 8000 meters in the world, trekkers can enjoy views of Mount Everest and Mount Lhotse from this route. Besides these, many other famous peaks below 8000 meters can also be seen, such as Ama Dablam, Nuptse, and Taboche Peak....
